Dear Year 5 and 6 parents and carers,

Anti Social Pupil Behaviour Incident

I hope this letter finds you well. I am writing to inform you about a matter of concern regarding the behaviour of some of our Year 5/6 students at the end of the school day as they walk home.

It has come to our attention that a group of Year 5/6 students have been congregating by the beck just over the bridge, and in their haste to reach this spot, there have been incidents where parents and children walking along the path have been accidentally knocked by scooters. Unfortunately, yesterday, a child was knocked over as a result of this behaviour.

I want to assure you that the safety and well-being of all our students are of utmost importance to us. In light of these incidents, the pupils in Year 5 and 6 have been reminded by their teachers about the school's expectations regarding behaviour, particularly during the journey home. We take such matters seriously, and we are working diligently to address them.

Moving forward, we kindly ask for your cooperation in reminding your child/ren to be mindful of others and their own safety while walking home from school. It's essential that they understand the impact of their actions on those around them and act responsibly at all times.

Should there be any further incidents, rest assured that we will thoroughly investigate the matter and may need to reach out to parents individually. Your support and partnership in reinforcing these expectations are greatly appreciated.

If you have any questions or concerns regarding this issue, please do not hesitate to contact the school office or Mrs. Webster, who will be more than happy to assist you.

Thank you for your attention to this matter and for your continued support in ensuring a safe and positive learning environment for all our students.

Sophie Bugg
Interim Head of Schools MIJS
