

# Coastal Together

31st January 2024

Dear Parents/Carers,

## Unlock the Power of Positive Parenting

Join us for an empowering journey to strengthen the bond with your child at our exclusive workshop: Supporting You with Your Child's Behaviour: A Norfolk Steps Approach.

Are you a parent seeking valuable insights into managing your child's behaviour at home? Look no further! Our two-part workshop, meticulously designed by the Schools and Community Team is for you!

Mark your calendar for the upcoming sessions as detailed in the attached leaflet: Monday 11th March and Monday 25th 9am - 10:30am in the Junior Hall.

**Discover Proven Strategies:** Learn the effective Norfolk Steps Approach, which is adopted by our school. It provides a comprehensive toolkit tailored to address diverse behavioural challenges.

**Expert Guidance:** The Schools and Communities Team will deliver the training; they provide a wealth of knowledge and experience, providing you with practical tips and personalised advice to navigate the intricacies of parenting.

**Connect with a Supportive Community:** Forge connections with fellow parents who may be experiencing the same challenges as you, discuss triumphs and share practice. Together, we will create a supportive network to strengthen our collective parenting journey.

Don't miss out on this opportunity to invest in your child/children's future and strengthen your family bonds.

If you are interested, please contact the school office, 01263 720401, to book your place! Please be aware that there are limited spaces available.

We look forward to working with you.
